Four casual market resources - Actiwin, Homecrest, Leisure Design and NorthCape International - have joined the Chicago Merchandise Mart's tenant roster. Additionally, three current tenants - Patio Renaissance by Sunlord Leisure Products, Suncoast Aluminum Furniture and Treasure Garden - have renewed their leases and expanded their showroom spaces. All of the new showrooms and expansions will be complete in time for the July 13-15 ICFA Preview Show and September 21-24 International Casual Furniture & Accessories Market, both held at Chicago's Merchandise Mart.
