

*The International Casual Furniture & Accessories Market*

Chicago, IL  
Merchandise Mart

**September 21-24, 2010**

The International Casual Furniture & Accessories Market is a four-day trade show that provides retailers with a destination to find all things related to outdoor and casual living. See the newest, most innovative products from leading manufacturers around the world and discover the latest trends in color, product design, fabric patterns and more all under one roof.
